## Town centre hotel back on the market

NEW Axminster Chamber of Commerce boss Lisa Lyman announced drastic changes during her maiden speech to members.

She has already created six teams within the chamber - each with its own leader and specific area of responsibility (executive committee, communication, membership, ways and means, government affairs, economic and business development).

The new structure was presented in a four-page document named 'Suggested Administration, Organisation and Programme of Work'.

It is based on the structure used when she worked full-time for an American chamber of commerce (Cape Cod

A LANDMARK building in Axminster town centre is on the market, again.

A local estate agent has confirmed that he has been instructed to sell the George Hotel building, which changed hands for a knockdown price in June 2010. Renovation work has since been going on but it is unclear how far it has progressed.

Operating as a hotel and pub for many years, the George Hotel's most recent tenant left in late 2008. The then owner Punch Taverns failed to find a new tenant and subsequently put the building on the market.

The estate agent handling that sale unsuccessfully invited offers in excess of £600,000. The asking price was lowered to £425,000 in early 2009, and was down to £325,000 by spring 2010.

A buyer was eventually found when Ilminster-based Mynster Properties Limited bought the building for a knockdown price of £210,000 plus VAT in June 2010.

The estate agent instructed to sell the building has said that the asking price will be in excess of £500,000.

## Luke holds fifth place in triathlon

AXE Valley Runners were out in force on Sunday braving the wind and the rain.

Luke Reed left Kilmington at 4.30am to travel to **Harlyn Bay, Padstow** for a 7.20am start in the standard distance Triathlon organised by VOTWO.

The sea was flat for the 1500 swim and Luke emerged from the water in 7th position out of the 78 starters.

From the sea there was a long 400m run to the Transition area, where Luke gained some ground on the opposition.

Then onto the bike which was an 'out and back' course, with the first eight miles into a head wind, so pretty tough!

Luke came into transition in 5th place, having completed the 40km bike in 1.15.30.

Next was a 10km run along the cliff line of Harlyn Bay, but Luke toughed it out to hold onto 5th place and an overall time 2.31.17

## Third defeat for Tigers

A THIRD successive defeat has seen Axminster Town slump to 13th in the South-West Peninsula League Division One (east).

The latest reverse for the Tigers, boosted by the return of combative midfielder Ben Turner from Millwey Rise, came in at the hands of the former Exeter Civil Service team, now operating under the guise of Exwick Villa, who are currently riding high at the top of the table.

# New leader for the traders

# From the editor's chair Time to move on in Seaton

**I'VE** sat through some lively council meetings in my time – but nothing equals last week's meeting of Seaton Town Council.

The August meeting got a bit out of hand with the Mayor, Councillor Gaynor Sedgwick, allegedly telling blind resident John Barrington-Rowell to "shut up and sit down".

Mr Barrington-Rowells was seeking a response from the council over a list of issues faced by disabled people in Seaton.

We reported the mayor's comments and at first she questioned our accuracy but since then she has admitted there was "some disagreement" over what was said. We stand by our story.

There was outrage in Seaton after our story was published so I thought I ought to go along to the August meeting last Monday where I was sure the matter would be raised again.

However, I was unaware that feelings were running so high and I have never witnessed greater vitriol aimed at a council chairman or mayor in 40 years of covering local government.

I don't know Gaynor Sedgwick very well. She is always polite and courteous to me when we meet and I can assure you not every council leader is.

I was once introduced by one highfalutin dignity as "be very careful what you say to him –

he's a very dangerous man". A bit over the top I thought.

Although Councillor Sedgwick did say she was sorry that Mr Barrington-Rowell was upset by the words she used, she stood her ground and refused to resign despite the fact that a string of members of the public called on her to do so.

So where does Seaton go from here? It looks as though Gaynor Sedgwick will ride out the storm and get on with her duties as chairman of the council and town mayor. In her defence, she does carry out her mayoral duties with great aplomb.

Those who were affronted by her comments have had their say and can now only use the ballot box exact their revenge.

One good thing to come out of this unfortunate dispute is that in Mike Neale Seaton does seem to have a town clerk who has quickly won the approval of the public. He has already got to grips with Mr Barrington-Rowell's list and won praise from the floor for doing so at the council meeting.

I am sure lessons have been learned from this debacle and perhaps it's time for Seaton to move on and concentrate on the many positive factors and challenges ahead.

## OTTER ST MARY

# Church toilets causing a stink

**PLANNING** officers are recommending refusal for plans to build a toilet and storage extension to Ottery St Mary Parish Church, which will be decided at a meeting of the East Devon District Council's Development Management Committee meeting today (September 17th).

Planning permission is being sought for a single storey extension on the north side of the church to provide toilet and storage facilities.

The sensitive nature of the proposal is highlighted by the fact that the church is widely recognised as "one of the most architecturally and aesthetically significant parish churches in the country".

But the church doesn't have its own toilets, and many feel that toilets are needed. But planners, English Heritage and The Society For The Protection of Ancient Buildings would like to see alternative options explored.

## HONITON

# New festival plan

**MEMBERS** of the newly formed Honiton Foundation have promised to organise "the biggest community event Honiton has ever seen" next year.

The Honiton Sausage and Cider Festival will be held opposite the old showground on Saturday, May 3rd next year, and has two purposes – to entertain those attending and raise money for Devon Free-wheelers.

The Honiton Foundation consists of local people, including mayor David Foster, and aims to "support the local community and its needs" in various ways.

Honiton-based Devon Free-wheelers provides a volunteer, out of hours emergency response courier service to the NHS, and is also Honiton Mayor David Foster's chosen charity of the year.

Mr Foster, who is also a member of the Honiton Foundation committee, said the festival will be a family-friendly event from the morning until late, featuring anything from face-painting to live music.

Mr Foster said: "We have an idea of what we want to do, but would love to hear from people who would like to become friends of the festival and get involved."

## SIDMOUTH

# Impatient drivers risk to pedestrians

**A ROAD** safety group says impatient drivers are putting pedestrians at risk by ignoring traffic signs in the Stowford Rise area of Sidmouth.

The East and Mid Devon Community Safety Partnership is pleading with the drivers and urging police to clamp down on offenders.

Partnership community safety and anti-social behaviour co-ordinator Gerry Moore said: "It has become apparent that some motorists are ignoring traffic signs.

"In their impatience they are driving in an anti-social manner to the detriment of pedestrians in the vicinity of the bus stops and the crossing situated in between them.

"Some drivers have been seen overtaking stationary buses waiting at the bus stops and contravening the keep left signs which are clearly displayed to protect pedestrians using the crossing.

"They then head towards the pedestrian crossing on the wrong side of the road and if there are persons on the crossing they are being put at risk by the behaviour of these anti-social drivers."

## SEATON

# Mayor refuses to stand down

**SEATON'S** under-pressure mayor has refused to step down despite a barrage of criticism from the public and repeated calls for her to resign.

Councillor Gaynor Sedgwick, who is also chairman of Seaton Town Council, has found herself embroiled in a bitter controversy over, allegedly, telling blind resident John Barrington-Rowell "shut up and sit down" at the August council meeting.

Her comments were exclusively reported in *Pulman's View from Seaton* but later denied by the mayor.

However, a number of people who were present at that meeting have come forward to say that Councillor Sedgwick did use the words reported and some of them used the public session at last week's council meeting urging the mayor to apologise and resign as mayor.

Mr Barrington-Rowell's clash with the mayor at the August meeting came after he attempted to get the council to respond to a list of 22 items he had compiled which made life very difficult for disabled people in Seaton.

Councillor Sedgwick told the meeting that what she said at the previous meeting concerning Mr Barrington-Rowell was "in dispute" but she would not try to "upset" anyone, adding: "It was a very difficult meeting and I am very sorry".

Former council chairman Bob Buskin, who himself uses a wheelchair, also spoke in the public session. He said he was "surprised" that Council Sedgwick was still sitting in the chairman's chair after her "outburst" at the last meeting.

He continued: "Because you have not apologised I have reported you to the Standards Board. Are you going to carry on sitting there?"

Councillor Sedgwick replied: "Yes".

Mr Buskin: "Shame on you!"

Terry Grimsley, chairman of the Seaton and District Visually Impaired Group, also spoke on behalf of Mr Barrington-Rowell, describing Councillor Sedgwick's alleged remarks as "distasteful" and that her "attitude and demeanor fell far short of standards expected in public office".

# Fuel tanks not the cause of delay in car park plans

THE agent representing the Websters site owner has denied that fuel tanks are delaying the car park project.

Plans for a temporary car park on the derelict site were presented in February this year as stop-gap measure until a permanent solution can be found.

Graham Barton, representing the owners Hallmark Estates, had hoped the car park would be up and running in time for Christmas, but the planning application for the project was subsequently withdrawn.

At the time, Mr Barton stressed that the project was going ahead and said: "The application threw up some matters that need addressing."

It is understood that the matters referred to were of a site layout nature,

but some town councillors had since claimed that underground fuel tanks had been discovered and complicated matters - both from a cost and timing point of view.

Axminster Town Council met on Monday, September 9th, and members of the public asked for a progress report during the public forum.

The fuel tank issue came up and the mayor Councillor Jeremy Walden said that, to his knowledge, a revised planning application had not been submitted.

He added: "I guess that the fuel tanks have got to be taken out."

Mr Barton told *Pulman's View*: "The planning application to clear the site and create a temporary car

park met with some resistance from the local planning authority. We're working with the planners to find a solution.

"There are no surprise problems associated with fuel tanks. A couple of small extra lids were discovered during investigations into the extent and quality of the surface concrete coverage when it came to suitability for car parking."

"These turned-out to be secondary points of access to known tanks therefore there will be no increased works or costs associated with their removal."

"Every day is a day materially nearer to redevelopment of the site whether it's for a temporary car park or the ultimate scheme."

MANY HAPPY RETURNS: Pool volunteers and supporters celebrated in style

## Fifteen years for Flamingo Pool

A BIRTHDAY cake marked the 15th anniversary of the Flamingo Pool at a coffee morning in Axminster town centre.

Staff and volunteers invited members of the public to join them at Church Rooms on Thursday

Fifteen years ago the pool became reality thanks to a massive community effort to raise funds following the reversal of a National Lottery decision to fund the project.

Local residents pulled together to ensure that the project became more than just a pipe dream.

A steering committee was formed and worked tirelessly to find money for the 25-metre pool and

the country's first public 6m2 hydrotherapy pool.

Flamingo Pool manager Steve Buxton said: "We would like to thank all of the volunteers who have tirelessly helped to raise funds for the pool for so many years, enabling us to celebrate our 15th birthday."

"Without their help and commitment, we would not be able to provide such fantastic facilities to our local community."

Staff and volunteers also plan to run a fundraising birthday celebration in October. Find out more at [www.flamingopool.co.uk](http://www.flamingopool.co.uk)

Mrs Lyman took over the chairmanship from Shane Morgan, who had been in post for almost five years.

He will continue to be an active member and said: "I'm pleased to say Lisa is now officially chairman and I wish her every success."

"Thanks for all your support. I have enjoyed my time."

Mrs Lyman closed the meeting by saying: "We'll give it our best shot."

## District council to hold seagull summit in Sidmouth

EAST Devon District Council is inviting representatives of coastal businesses, particularly food businesses, and coastal town and parish councils to its free Seagull Summit on the evening of Thursday, October 31st.

There will be advice on:

- Seagull lifestyles;
- Waste and pest control for food businesses;
- What residents and businesses can do – proofing and control;
- Bins and commercial waste;
- Pest control services and successes;
- What Seaton Town Council are already doing;
- The legal situation.

EDDC Councillor Tom Wright said: "This event was the idea of our Environmental Health Team.

"We are organising this event as seagulls have been quite a problem and of particular concern to local businesses this year.

"We want to work with local businesses to help them gain a better understanding of what action they can take to reduce the problem.

"I would urge all those on the coast in the food sector in particular to come along and find out more."

The event will take place from 6pm-8:30pm at EDDC Offices, Knowle, Station Road, Sidmouth, EX10 8HL.

## Beehive fundraiser set for next month

FRIENDS of the Beehive in Honiton are organising a charity auction evening on Saturday, October 5th.

This evening is part of ongoing fundraising to create a community and arts centre for the town. The centre is currently being built in Dowell Street and is due to open early 2014.

The centre will support many local groups and people of all ages, and will be a much needed venue for music, dance and theatre.

It will be used for activities like martial arts, drama, art and crafts, cookery, talks, films and much more. It will be used by all generations from the very young to the considerably older!

Organisers are asking for auction lots to be donated and help on the evening from volunteers. If you can help in any way or have any ideas how to make this a successful event, please contact Sharon Pavey by email atsdpavey@gmail.com or call 07447 597390.

## Towns hoping for free Christmas parking

EAST Devon towns are hoping that the district council will provide free parking for Christmas shoppers every Saturday throughout December.

In the past, EDDC have offered one free afternoon of parking in the run-up to Christmas and asked traders in each town to chose their preferred Saturday.

At last week's meeting of Seaton Town Council, Mayor Gaynor Sedgwick said she had recently attended a meeting of all East Devon towns at Axminster Guildhall when it was decided to ask for free parking on the three Saturdays leading up to Christmas.

She told councillors that Seaton Chamber of Commerce had also written to EDDC asking for free parking on the pre-Christmas Saturdays in December.

## Mayor opens new gallery exhibition

THE Mayor of Honiton, Councillor David Foster, opened the new intoLACE exhibition at the Thelma Hulbert Gallery on Saturday. Pictured above are Denise Lyon (Deputy Chief Executive and Monitoring Officer, EDDC), Angela Blackwell (gallery curator), Andrea Stokes (artist), Mayor of Honiton David Foster, Councillor Paul Diviani (EDDC Leader) and Councillor John O'Leary (EDDC Culture Champion). This exciting new exhibition runs until November 2nd in partnership with the Devon Guild of Craftsmen. It shows artist/makers whose work references lace and examines its historic uses and values, with particular reference to Honiton lace – a skill which the town has been renowned for since the 17th century.

## Councils to join forces for Jurassic leaflet

SEATON Town Council is investigating ways of spending £7,000 by working in partnership with other parishes.

That sum of money represents £1.10 per elector and is being made available through East Devon District Council's 'Parishes Together' grants scheme through the Government's New Homes Bonus.

When the matter was discussed at last week's Seaton Town Council meeting, Councillor Peter Bur-

rows said that when he was chairman he had a meeting with other coastal towns and parishes and they favoured publishing a leaflet on the Devon coastal resorts along the Jurassic Coast.

He expected it to be completed in the next couple of months.

Three suggestions for spending the money were also put forward by the Senior Council for Devon – improving local signage and maps; drop kerbs on the unnamed road behind Jubilee Lodge; and three-

way traffic lights at the top of Queen Street.

Councillor Val Chrstmas said some of these ideas were already happening because they were on the Devon Highways list.

Another idea put forward was a community website providing all the volunteering opportunities in Seaton.

It was agreed that Councillor Burrows would take the matter forward for further discussion.

## News briefs

### Arrested on suspicion of drink driving

A MAN was arrested on suspicion of drink driving when police were called to a disturbance in Silver Street, Axminster, in the early hours of Saturday September 7th.

Officers at the scene found no signs of a disturbance but arrested a 39-year-old Axminster man on suspicion of drink driving.

### Councillors available for consultation

A SELECTION of Axminster Town Council members will man a stall at the market on Thursday September 19th from 10am-12noon.

The initiative is a repeat from earlier this year and the aim is for members of the public to raise relevant issues of concern with councillors.

### Coffee and cake boost for HALFF funds

THE solicitors' cake sale and coffee morning in aid of a local charity, pictured in last week's View from Axminster, raised £165.

The event was held by Beviss and Beckingsale solicitors outside its Silver Street offices in aid of Health and Local Food for Families (HALFF). Tiggy Parry of HALFF said: "We are extremely grateful to Beviss and Beckingsale and to everyone who made cakes for us to sell."

# 'Apprentice' style sausage challenge

AXMINSTER'S biggest employer brought a ruthless and competitive business competition to the town centre last week.

Axminster Tool Centre's profit-driven competition in the style of 'The Apprentice' saw two company teams pitted against each other, tasked with producing, marketing and selling sausages.

The battle was fought between Team Gestalt and Team Trafalgar, with the former being declared winner in the Axminster Tool Centre boardroom.

Teams were made up of staff members on the company's Aspire programme, set up to train and nurture talented individuals with management potential.

The task started at 12 noon on Friday, September 6th, and the winner was declared a week later on Friday, September 13th.

Each team had a budget of £500 and worked with Complete Meats from recipe to end product.

Much of the challenge took place behind the scenes, but both teams had stalls at Axminster Market on Thursday.

Market goers were subjected to 'hard sell' tactics as both teams tried to maximise sales.

When asked how the public reacted, Trafalgar member Antony Jempson said: "Once you explain what you are trying to do, the reception is very positive."

His fellow team member Charlie Cross added: "It has been a

■ KICK OFF: Team Gestalt (left) with Shaun Vining of Complete Meats versus Team Trafalgar with Axminster Tool Centre managing director Ian Styles

very interesting and exhausting experience. I never want to see a sausage again!"

Team Gestalt and their Big Pig brand came out on top achieving a higher level of sales and profit than rival Team Trafalgar.

Both teams delivered their presentations in the boardroom on the Thursday evening and then met at 7.30am the following morning to hear the result. The reward for the winning team will be a weekend with partners in London, while the losing team gets to spend a day cleaning the warehouse.

Collectively, the teams sold a total of 11,880 sausages equating to

850kg and £4,673.50 of sales.

Shaun Vining, owner of Complete Meats, said "That's fast approaching one metric ton of sausages and the two teams have taken the lion's share of sausage sales in the West Country this week."

The biggest coups of the week were Team Trafalgar's deal with River Cottage in Axminster and Team Gestalt's successful

pitch at selling the Big Pig brand to Complete Meats.

Both teams sold widely to local businesses, pubs, clubs, company employees, friends and family.

Team members were: Gestalt – Jade Keam (export sales), Sammy Barry (HR administrator), Dave Jones (senior web developer), Dave Long (senior buyer), Richard Beer (servicing team leader). Trafalgar – Alice Forino

(buyer), Kelly Baker (specialist sales), Charlie Cross (specialist sales team leader), Anthony Jempson (educational sales), Nick Taylor (engineering capacity planner).

The profit resulting from the challenge totalled £1,865.50 and will be donated to AT&M's chosen charity for 2013, Children's Hospice South West.

# Credit union opens

**OPEN FOR BUSINESS:** (l-r) Marion Cochrane and Peter Porteous pay a visit to Plough & Share volunteers Avril Jackson, Ray Cackett and Richard Walker

THE Axminster service point of Plough & Share Credit Union is up and running.

A team of volunteers has been recruited to man the what is the credit union's 34th service point in Devon. The weekly service point is open on Thursdays from 11am-1pm in Axminster Methodist Church.

A credit union is a financial co-operative - owned and controlled by its own members - and can, for example, offer low-interest loans and offer financial advice. The credit union concept has gained in popu-

larity and enjoys formal support from many local authorities - including East Devon District Council - as a preferred alternative to doorstep lenders or so-called loan sharks.

Plough & Share is based in Okehampton. Currently there are seven volunteers helping to man the Axminster service point, but more are needed.

Anyone interested in volunteering or using the credit union's services can visit the service point or visit [www.ploughandshare.co.uk](http://www.ploughandshare.co.uk) for more information.

## Lions looking to recruit new members

AXMINSTER & District Lions Club will use the carnival on Saturday September 21st as a recruitment tool.

Club president Jamie Love explained: "The club will be out and about on carnival night with our float. People who want to learn more about the club and its work, just stop and talk to any one of us along the way or afterwards.

"Our club gives members an opportunity to advance worthy causes, serve with

friends and become leaders in the community.

"This club means a lot to our Lions, but it means so much more to the people we serve.

"We want to share the great things we're doing in the community, and let others know how they can help."

The Lions' motto is 'We Serve' and the Axminster club has lived up to it for 44 years, and is part of Lions Clubs International.

## Heritage centre offices to go on show

AXMINSTER Heritage will show off offices to let in Thomas Whitty House during an open morning on Friday September 27th from 10am-12noon.

As work goes on to raise the money required to turn the building into "an interactive visitor attraction" including museum and tourist information centre, part of the building has been con-

verted into small offices and a meeting/community room.

A spokesperson said: "The offices will provide a good starting point at a reasonable cost for those looking to set up their own business whilst the community room will be an attractive venue for local businesses and societies to hire."

# Fun in the sun at Beer's new play park

LOCAL children and district council representatives gathered at Beer's Ash Hill Playpark last month for the grand unveiling of £17,500 worth of improvements.

Alongside the official opening of the new play equipment, youngsters were treated to a range of fun activities including circus skills, arts and crafts.

The new equipment was unveiled by chairman of Beer Parish

Council, Martin Richards who cut the ribbon and declared the enhanced play area open and ready for fun.

The new equipment in the play area was chosen by local children and consists of a new basket swing, a spinning item, climbing frame and wooden amphitheatre style seating.

In addition to the new equipment children were able to have a

go at circus skills or arts and crafts as part of a free family fun day, provided by East Devon District Council Community Development Workers, Polly and Victoria.

The project is the result of a close working relationship between Beer Parish Council and the district council.

Local children decided what the £17,500 worth of eagerly anti-

pated improvements to the play area should look like.

## Contribution

The sum of £7,500 was contributed by developers through Section 106 funding for play.

This type of contribution was a condition of planning approval for a number of developments in the area.

EDDC have the ground-breaking policy of inviting residents to

decide how this is spent.

Beer Parish Council successfully applied for £10,000 of awards for all funding from the National Lottery to add to the Section 106 funds.

The opening was attended by Beer Parish Councillor Martin Cox, who has spearheaded the project to improve the play area.

Councillor Cox said: "It has taken the commitment of many people to make this a successful project.

"It is clear from the obvious enjoyment of the children in using the equipment that it has all been well worth the effort."

Also in attendance was Councillor Christine Drew, EDDC's Champion for Children and Young People, who added: "Thank you to all the children who had their say and chose the play area."

"I'm looking forward to seeing the play area used a lot more now it has been vastly improved."

# Lions give boost to trio of local causes

THE Seaton & District Lions Club made it an evening of donating to charities at their monthly meeting in September.

After their charity fundraising day at Pecorama in August, collecting for Devon Freewheelers and Children's Hospice South West, where they raised a total of £700 on the day, the Lions de-

by Ian Barradale

cided to double the money they collected and give both of these two local deserving charities £700 each.

At the same meeting the Lions made another donation of £100 to Seaton Town Football Club towards the run-

ning of their youth teams.

The Seaton & District Lions Club meet every second Tuesday of the month at 8pm in the Eyre Court Hotel in Queen Street Seaton. If you would like to become involved in helping the community we live in, come along as a guest to one of the meetings by contacting Lion Neil Rutter 01297 21572.

## Charity appeals for collection volunteers

DIABETES UK is looking for enthusiastic volunteers to help out at the Seaton Tesco branch in October.

The Big Collection is a nationwide fundraising event for Diabetes UK and 8,000 volunteers are needed to support the three-day event, which will happen place at 600 Tesco stores from October 4th-6th.

Thousands of volunteers have already come forward, but Diabetes UK is looking for more volunteers who can give three hours of their time to collect donations.

Seaton is one place with vacancies, and Diabetes

UK South West regional manager Graham Cooper said: "We are delighted that people in Devon have volunteered for the Big Collection weekend, but we need more volunteers to fill all our shifts.

"If you are shopping at Tesco that weekend, why not select a shift on the same day. We would be delighted if people in Devon could join us in collecting donations and having some fun. If you can spare a few hours of your weekend we would like to hear from you."

Those interested should call 01823 448260 or visit south.west@diabetes.org.uk

## Plenty of summer activities to keep Seaton residents busy

THERE has been plenty to see and do in Seaton over the recent weeks with town councillors working hard to provide their summer town activities initiative.

Aiming to give the town a much-needed boost, there has been a range of activities available for all ages, showing off what the town has to offer.

The activities on offer have included Jenny Knight's willow weaving workshops, pebble painting with Lesley Mettam, local author and illustrator Carolyn King's Ivor the Ichthyosaur project and building the 'Motorcycle Madness' carnival float with Phil Armour and his team.

Phil Armour's carnival float attracted a lot of attention. Based on a 1910 motorcycle combination, handmade in Seaton over the past few months, the float has been completely fabricated in timber,

except for the wheels, handle bars and copper exhaust pipe.

The team helping to push this float includes Seaton town councillor and deputy mayor, Sharon Bruce, team leader Phil Armour,

and keen Axe Cliff golfer, David Bruce.

After the carnival season is finished, the motorcycle and sidecar will be available to support local charity events.

## Record attendance at carnival market

■ THE annual carnival day market in Colyton attracted record crowds on Saturday. Bargain hunters lined up to browse the stalls at the Dolphin Street Car Park before the market was officially opened by town crier Derek Ween and the carnival royal party (pictured right). The event raised £5,305 toward carnival funds.

■ MEANWHILE, Colyton Leisure Painters held their annual exhibition at the St John Hall. As well as the range of artwork hung on the walls, visitors enjoyed craft demonstrations and refreshments.

## Classic cars come to town

■ CAR RALLY: The Austin 7s at Barritshayes Farm Cottages in Colyton. Photo by Liz Lindsay

COLYTON was visited by 13 classic Austin 7s with drivers staying at Barritshayes Farm Cottages in the town.

Drivers from the Dorset Austin 7 Club and Devon A7s joined together for a rally based at the cottages. The cars, dating from 1922 and 1939, varied

in colours from pale pink to royal blue creating quite a sight for onlookers.

Their daily tours of the area included local attractions such as Seaton Tramway, the Donkey Sanctuary, Beer Quarry Caves and drivers enjoyed Colyton Carnival.

## Burgesses register as charity

AN extraordinary meeting of Colyford Burgesses agreed to create a constitution for the Ancient Borough of Colyford and register this as a charity.

The burgesses, which is open to all adults who live in the ancient borough, agreed that registering as a charity with HM Revenues & Customs would benefit local projects, including moving forward with an off-road alternative to the proposed section of the Stop Line Way cycle route through the village.

The original route set out by Devon County Council would see cyclists travelling from Seaton Road, down

the A3052 and across the bridge and the tram crossing, but residents felt this would be too dangerous and opted to support an off-road route suggested by the Burgesses, in which cyclists would continue across the wetlands and meet the tram line.

However, Devon County Council is not willing to pay for the additional cost of creating an off-road route and the village will have to raise £350,000 itself. It is thought that registering as a charity will help in seeking grant funding for this and other local projects.

Catering advice for churches, charities and other groups providing food has just been produced, including links to other trusted sources of good hygiene advice such as NHS Choices. The Food Standards Agency has also published guidance under the title Community and Charity Food Provision—of interest to all church caterers.

A recent report on the cost of dying, which invariably involves the churches, reveals an increase of 7.1 per cent from last year, which out-strips inflation by 5 per cent. A basic funeral now costs around £3,500. Adding other discretionary costs, such as a headstone and flowers, pushes up the cost of a funeral to an average of £7,622. Figures do vary in different parts of the country and there are various ways of spreading the cost

# Probus club ride the train to Minehead

The West Somerset Railway runs for 20 miles from Bishops Lydeard to Minehead.

A number of members of the Seaton and District Probus Men's Club, together with wives, made the journey on a bright and sunny late summer day. Pulled by steam locomotives both ways, members enjoyed the gentle ride through the beautiful Somerset countryside and along the coast to their destination.

The stations are all beautifully maintained, as are the engines and carriages, bringing back memories of holidays taken many years ago!

They had plenty of time in Minehead to explore the town or walk along the coast, or to just sit and enjoy the September sun.

Railway enthusiasts among group admired the steam and diesel engines, which can be seen at various points along the route. The volunteers that man the trains and stations are colourful and cheerful, and love

to talk about their Railway.

The next outing is also rail orientated, as members are visiting Pecorama in Beer early in October.

Fortnightly meetings recommence on October 2nd. Anyone interested in joining should contact Keith West on 01297 624374.

# Seaton Carnival street collection raises more than £2,000 for local good causes

SEATON Carnival procession was a great success with the street collection raising £2016.45.

The top four collectors were: Seaton Scouts £265.40, Royal British Legion (Seaton) £253.37, Seaton Lions Young Leaders £170.62 and RNLI £142.72.

The committee would like to thank everyone who collected including: Bellini's Bathers, the fire brigade, Peter Burrows and family, K9 CC, Seaton Brownies, Ot-

tery CC, Phil Armour, John Seward, Trotters Cafe, Don Cambell, Ian Manchester, Budleigh Salterton CC, Axminster Young Farmers, Totnes CC, Roger Broom, Dawlish Queens and Ipplepen CC.

The Carnival Week was a fun time for everyone, especially the youngsters. Daisy Grace Goodman won first prize in the Colouring Competition in the 7-10 age group; Isabelle Rose Lacey won second prize.

Lilly Golding won first prize in the 4-6 age group and Fyn Buckett won second prize.

Amanda Mettam won the busking competition's top prize of a singing slot at the Carnival Variety Night alongside comedy vocalist Allan Roberts, The Neil Diamond Tribute Show and singing duo Eclipse; second prize went to Laura Fisher.

Competition judge and professional street musician Jon Croose also raised £75 for Seaton Carnival by performing in the Town Square.

Jon said: "The standard was really high again this year. The busking competition is becoming a regular feature of Carnival Week, and we hope it will be bigger and better next year".

"I'd love to see the busking competition go from strength to strength, and it would be great to get a battle of the bands contest, DJ sets and backroom gigs of all kinds."

Anyone interested in running a gig or performing music during Carnival Week 2014, should contact Jon on jfc208@exeter.ac.uk or carnival secretary Marie Churchill on 01297 22732.

The AGM and donations presentation will be announced soon.

If you would like to be considered for a donation please write to Seaton Carnival Secretary, Marie Churchill, 1 Burnham Close, Seaton, EX12 2UW.

The committee hope to see you all next year at Seaton Carnival Week which will take place from August 24th-30th.

● SEATON Carnival Club received a £100 donation from the new licensees of the Hook & Parrot in Seaton on Saturday (September 14th).

Lorraine Kirkham and Adam Budd, who took over The Hook and Parrot in July, held a relaunch event on Saturday which coincided with the cheque presentation.

This continues a long association between The Hook and Parrot and the carnival. Besides sponsorship, the venue has allowed access to its electricity supply to run the PA and lights on the seafront on carnival night.

● SEATON'S hard working carnival committee has been praised by the Mayor, Councillor Gaynor Sedgwick.

Speaking at last week's Seaton Town Council meeting, Councillor Sedgwick said she was "really amazed" how much work the

committee had put in during the year to put on such a great carnival week.

"The procession was great and

the town is really fortunate to have a group of event organisers who put on such a good show," she said.

## Call for town to have its own promotional leaflet

SEATON needs a promotional leaflet to promote the town's attractions, local councillors have been told.

Councillor Peter Burrows told last week's meeting of Seaton Town Council that Sidmouth and Lyme Regis had a leaflet but Seaton did not, adding: "I think a

leaflet is needed to show what Seaton has on offer."

Councillor Tony Woodman agreed, saying there was "a desperate need" to improve the marketing of Seaton which had so much to offer.

"We have a marketing manger that markets everything apart from

Seaton. This is something which we should seriously look into."

The Mayor of Seaton, Councillor Gaynor Sedgwick, reported that 4,084 people had visited the Seaton Tourist Information Centre and she thanked the staff for their hard work.

# Something for everyone going on in Beer

CO-ORGANISER Annie Boalch was delighted with the turnout for the annual Beer Activities Fair at the Mariners Hall on Saturday morning, *writes KEVIN FAHEY.*

Organised by the Beer Bag Project in conjunction with the Mariners the event was designed for groups, clubs and societies in the village to promote themselves and explain what they are offering in the community.

"There was a good buzz about the morning and it was nice to see so many

people coming through the doors," said Mrs Boalch, who helped to co-ordinate the meeting.

"Some people are not fully aware of what clubs exist in the village and the events that are promoted, so we were also handing out copies of the village directory and the diary of events.

"I think the people who turned up enjoyed themselves and we raised a decent amount of money from the raffle and the refreshments for the Mariners Hall."

# Lost WWI medal returns to village

A LOST WWI Victory medal issued to a Membury born soldier, has been found and will be returned to the Village.

Robbi Robson, Chairman of Membury History Society, recently returned home from a trip to Northern France where she visited the graves of all Membury's First World War soldiers killed in action. The same evening she received a telephone call from Tom Hiron, from Honiton, saying that he had bought the medal of soldier Robert Newbery, who died in action in 1916.

Robert's medal will be returned to Membury and the History Society plan to display it in a community

building.

Robert was born in Membury in 1896 and can be found on the 1901 census, aged five, living with his parents, brother, sister and grandmother in Prospect Cottage, Membury.

In 1911, aged 15 he had left home and was working as a cowman at Ford Farm, Furley, living with the Perham family.

He enlisted at Axminster into the Duke of Cambridge's Own (the Middlesex Regiment) the 11th Battalion and fought on the Western Front for nine months.

The 11th Battalion was one of the units set up in Au-

gust 1914 as Kitchener's New Army – made up of volunteers. They went to France between May 29th and June 1st 1915, landing at Boulogne. They were in action at the Battle of Loos in September 1915. After a period of rest, they moved into reserve and then in the front line at Givenchy, and then a period of training. They moved back to the front line at Loos on February, 12th 1916.

Robert was killed on March 3rd 1916 and he has no known grave. He is remembered on the Loos Memorial to the Missing, together with two other Membury boys, Noal Aplin and William Parker, and another 20,605 men.

# Cheese, wine and swing music

FOLLOWING the huge success of a concert held last year, the popular Three Counties Swing Band will be returning to Hawkchurch later this month.

The band will be appearing at a cheese and wine evening at Hawkchurch Village Hall

on Friday, September 20th at 7.30pm.

Tickets are £10 and includes a glass of wine.

The band was started by two school teachers, Gary Wells and Tom Forward, in 1996. It has grown steadily since then to become the fine band it is today.

They specialise in playing popular tracks and original arrangements, when available, of Glenn

Miller, Count Basie, Duke Ellington and various other big bands of the Swing Era.

Kevin Dunn, Musical Director and drummer, is also an accomplished arranger and writes for

the band.

For more information and tickets call Graham on 01297 678 389.

## Your Letters

# Control badger population to encourage healthy setts

■ I WAS brought up on an active stock farm, and have been following the chat about badger culling with interest.

The fact is that we lived happily with our badger sett, but there were unwritten rules that they had to adhere to in order to remain at peace with my father, and to preserve their own good health!

Badger tunnels are fairly close to the surface, and although they start out by digging under the cover of hedgerows, they quickly give themselves "planning permission" to tunnel under the field area.

Only a lot of rock in the area can deter them from extending along the hedgerows and in to the deeper virtually root free soils of the fields. But this constitutes a breach, as it is a hazard to tractors, and also to an unlucky badger beneath, if a tractor wheel breaks through into a tunnel. Therefore, we took great care to block tunnel extensions into the fields by applying pressure to the surface grass in wet conditions when the soil was compactable and blocking any new air tunnels.

The second point concerns the size of a population. If a sett's surface size is confined to say three metres by four metres, the badgers usually move their young on to fend for themselves elsewhere; but if a sett is allowed to expand as it wants, then the badger population quickly grows too high to maintain

good health.

Badgers do try to maximize an airflow with a network of tunnels to the surface, but inevitably in winter when they are below ground for long periods, the air does not move much and conditions for the spread of disease are excellent.

Once a disease, e.g. Tuberculosis, is established in a sett, it is virtually impossible to eradicate since the "spores" can survive for many decades in the dry underground conditions beneath a hedge bank; but unstressed animals in a low population are likely to be resistant to most diseases. So as with humans, space for each individual is key to a healthy happy life.

A diseased badger is no more happy about it than the farmer who is trying to produce disease free food for the country; and the only way to achieve disease free status humanely is to close down and cull ie shoot all badgers from the infected setts.

Once this is done one can allow the establishment of new setts by healthy badgers, but one must then curtail their population growth.

In deep soiled areas this means culling of a cross-section of the age population each year.

This might amount to only one of the elders and one of the young, or as many as 50 per cent of old, breeding and young each year. Only the farmer, who walks or rides his fields regularly, can tell

how many he needs to shoot to maintain a healthy stock. But this must be done.

In past centuries, badgers were normally culled for their fur and bristles for shaving brushes etc. Now that this use has stopped, we still need to cull them. It is worth remembering that we are their top predator, and therefore we must assume the role that would naturally have taken the elderly before the painful diseases of old age set in.

Some people may think that the answer is to ban farming in UK and import all our food from others. However, no matter what other countries think about this, badgers survive best in areas of crop and livestock farming. Here they can turn over older cowpats to eat the worms and beetles that live in this niche habitat; dig for worms and eat slugs in ploughed soils - minimal till farming encouraged by bodies such as Natural England does not help the badgers – and of course clean up dead wildlife and crop residues in their time honoured role as omnivore scavengers.

Perhaps those who go on vigils could spend their time better, by attending courses on the basic biology governing the welfare of our wildlife and plants.

# Saving Lives at Sea in Dorset

WHEN the mast of a 120-year-old sail-training vessel came crashing down in rough seas and gale force winds off Portland Bill, Weymouth RNLI Coxswain Andy Sargent and his crew aboard Weymouth's *Ernest and Mabel* raced to their aid. Andy and his six crew members rushed to the station and were heading out to sea in less than ten minutes from receiving the call.

The 24m Brixham trawler *Leader* is run by Devon based Trinity Sailing Foundation who offer disadvantaged young people the chance to sail. With winds gusting up to 40 knots she had been sailing south of the Bill when her main mast snapped, bringing her rigging, sail and boom, crashing into the water.

Remarkably, no-one was hurt. But, unable to control the boat following the dismasting, the Brixham trawler had started to drift into the Race, an area of dangerous currents off the Bill.

Andy said: 'The mast was broken and the rigging was in the water on the vessel's port side, so the crew had to deal with this first so it didn't become a hazard to the *Leader* or to us. They secured the debris alongside the casualty boat as best they could in the conditions and then having determined that no one was injured we secured a tow line.'

'They couldn't use their engine as the gear and rigging was in the water and could have got caught around the propeller.' Due to the rough weather it took five hours for the volunteer lifeboat crew to tow the 1892 wooden sailing ketch *Leader*, safely back to port.

Rescues such as this are only made possible thanks to the generosity of RNLI supporters. The RNLI are grateful for all the support they receive from people generously donating their money or time, however, legacies are critical to the future of the RNLI and to saving lives. The sea will always be a danger and the RNLI will always be needed to rescue those in trouble.

Many people think that legacies are only for the wealthy, but anyone can leave a gift in their Will to their favourite charity. Any gift, whether it pays for a pair of boots or a boat is gratefully received. Of course it's important that you take care of loved ones first, but the RNLI are asking people to consider the difference a gift could make to the lifeboat crews. It's surprisingly easy to do.

To the RNLI, legacies are a lifeline. A legacy is much more than a gift left in a Will, it's the lifeboat that launches to answer a call for help, the training that helps the volunteer crews reach a vessel in distress and the rope that pulls someone out of the water to safety.

To find out more about how to leave a gift to the RNLI please call Legacy Manager Mark Allwood on 01202 663032, or visit [rnli.org.uk/legacy](http://rnli.org.uk/legacy)

YOUR LEGACY WILL BE MORE THAN A GIFT IN YOUR WILL.

IT WILL BE THE LIFEBOAT THAT LAUNCHES AT 2AM IN SUB ZERO TEMPERATURES.

IT WILL BE THE TRAINING THAT GUIDES OUR CREW THROUGH 40-FOOT WAVES AND GALE FORCE WINDS.

IT WILL BE THE TOW ROPE THAT PULLS A VESSEL OUT OF DANGER.

IT WILL SAVE LIVES AT SEA.

## Axminster Carnival 2013

**AXMINSTER CARNIVAL PROCESSION** takes place in Saturday 21st September at 8pm. The Procession will 'line up' on the Trefalgar Way – this road will be closed at 3pm. It will move off at 8pm, and proceed up through Town, and turn right into South Street, and down to the end of the One Way System, and turn right into King Edward Road, and down to the Roundabout where it started and disperse via the Line Up position. There will be only one circuit of the Town. The Procession will be led by The Mayor of Axminster, Counsellor Jeremy Walden – in a break from the usual form, Jeremy will walk the Route, as will Town Crier Nick Goodwin. They will be followed by Axminster Fire Service, and the St John Ambulance. Next will come the Dorset Youth Marching Band, followed by the Axminster Carnival Queen's Float; and then Axminster's own Karizma Majorettes, who will be showing off their new outfits for the first time in the town. They will be followed by the other Classes of Entry.

**MARSHALLING** – We are grateful to the Rotary Club of Axminster who do an excellent job keeping everything moving smoothly. We would also like to thank the

local Police – especially Special Superintendant Robin Cross, who has always been so helpful. John Jeffery and Roger Critchard are also vital to the smooth running of the Procession – looking after safety – both of those on the Floats and the Public.

**JUDGING** – will take place 'en route', so no Prize Money or Prize Cards will be presented in the Square – this will be done at the Guildhall at about 10pm. The Judges will be experienced 'Carnival People' from around the Area.

**COLLECTORS** – will be needed on the night, and Collectors are entitled to 25% of all they collect, for their own group or Charity. Collecting Tins and Buckets are available from the Guildhall from 6pm.

**THE COLLECTING FLOAT** is again being organised by Axminster Lions Club. **ENTERTAINMENT IN THE SQUARE** is again in the hands of Mervyn Symes, who will be giving his brilliant Commentary on the Procession. This year Mervyn, in conjunction with Axe Music, are running a **MUSIC FESTIVAL** in the Square from 2:30pm, until the start of the Procession; finishing with top local band, Extractor. This will Showcase several local Bands

and Singers, and any local talent looking to take part should contact Axe Music at their shop in George Street.

### OTHER EVENTS

**A COFFEE MORNING** will take place in the Church Room on Thursday 19th September from 8:30am. Cakes Bric-a-Brack and Draw Prizes would be welcomed.

**A 'SPOT THE MISPLACED ARTICLE'** competition will be run in Shop Windows in the Town – Entry Forms are available from the Library in South Street – over 70 shop windows will feature in this Competition.

On Sunday 22nd September, the Karizma Majorettes are organizing a **WALKING TREASURE HUNT** around the town. Entrants to meet at the Church Hall at 2:30pm. Fun for all the Family – learn things about Axminster that you never knew.

**CARNIVAL QUEENS** – former Carnival Queen Elaine Voysey is taking charge of this – it will be the daughters of last year's Jubilee Royal Party, namely Megan, Jazmin and Willow Voysey, Mellisa Ayres, and Sophie McDonald. They will travel on a Float kindly provided by Seaton Tramways Ltd. The Carnival Queens have been sponsored by Mole Avon Ltd, Axe Valley Festival, and John Williamson Joinery.

## Melanie Brown's Hair & Beauty Salon

### Even more beautiful with your experienced Beauty Therapist

AT Melanie Brown's we can offer the very best range of Guinot facials to protect and enhance the complexion. Cosmetic products are carefully designed and they should also be carefully prescribed. Since a cosmetic product is effective only if it corresponds to your personal beauty goals, your Guinot beauty expert is especially attentive to your particular skin needs and will begin each treatment with a personal consultation.

Your Beauty Therapist makes exclusive care available to you for immediate beauty results. Explain how you would like to improve your facial appearance and your therapist will advise you of which Guinot beauty treatment is best adapted to your skin type. This will enable you to reach your desired beauty goals.

#### AROMATIC FACIAL –

Beauty care with essential oils.

Nature has created medicines which have cared for humanity for over 10,000 years. Guinot thus uses natural sources to provide essential oils and plant concentrates for the aromatic treatments to bring natural beauty to your skin.

When you enter the Beauty room you will be greeted with the scent of essential oils for a marvellous beauty experience: an initiation to serenity. This unique personalised method combines the benefits of essential oils and massaging techniques to fill your skin with energy and

provide a long lasting effect.

#### BEAUTÉ NEUVE, DOUBLE PEELING

The epidermis is composed of approximately 30 cell layers. When the outer layers are dehydrated, they cause the face to become dull looking. With the "peeling" treatment it is possible to remove dull cells, letting the glow of new cells shine through. The fruit acids in the Peel In gel, penetrate between dead cells to break the intracellular links, then Peel out moisture will gently remove them. At the end of the treatment, Clarimasque with pure Vitamin C regenerates the elastic fibres, enhancing a natural glow and lightening the skin.

#### LIFTOSOME,

#### "REJUVENATING-LIFTING" TREATMENT.

Liftosome is a treatment completely dedicated to the firmness and youthfulness of the skin, thanks to the key active ingredient: Pro Collagen Concentrate, and the effects of the Thermolift mask. This treatment will redefine the skin and tighten the features.

#### EXPRESS YOURSELF IN HIGH DEFINITION

Eyebrows are often a neglected area of many beauty regimes. Some have been over plucked, waxed and shaped for years and have little brow left. Some are ignored and hidden under a fringe.

They are the focal point of your face and therefore should always be perfectly preened to accentuate your features. HD Brows is the unique professional eyebrow styling treatment that is totally designed around you. Nothing else comes close to achieving glamorous couture eyebrows.

#### SPECIALIST TREATMENTS

IPL/VPL Laser skin rejuvenation using state of the art, internationally recognised equipment. WHAT IS IPL? IPL is a revolutionary new technique pioneered by Energist for permanent hair reduction and all aspects of skin rejuvenation. Using short pulses of light energy, which can vary in number, length and frequency, the IPL system emits light across a range of wavelengths, allowing a greater range of more gentle treatments to be performed on virtually all hair and skin types.

The safe and effective technology helps to remove and improve the effects of age, hormonal activity and over exposure to the sun can have on the skin. Using short, safe controlled pulses of filtered light to help remove unwanted hair and skin imperfections, and to improve texture and tone, IPL leaves skin clearer and smoother.

# Kiki Dee, Andy Fairweather Low, Martin Barre and The Albion Band all set for Budleigh!

*An exciting and varied programme of musical events at Budleigh's Public Hall this autumn offers something for all tastes.*

WITH one of the loveliest voices in popular music, Kiki Dee, accompanied by guitar virtuoso Carmelo

Luggeri, performs an eclectic selection of favourite covers, recent album tracks plus the familiar hits such as Amoureuse, I've got the music in me, Star and Don't go breakin' my heart, on Saturday, October 5th in Budleigh Salterton.

On Sunday, October 27th founder member of Cardiff-based Amen Corner, Andy Fairweather Low and his band the Low Riders, perform hits from the band's back catalogue such as Bend Me, Shape Me, High in the Sky, and (If Paradise is) half as nice, songs from his A&M period such as Reggae Tune, La Booga Rooga and the pop classic, Wide-eyed and legless, the big Christmas hit of 1975, plus some

favourite blues, gospel, rock and country classics. A busy musician, Andy plays with Bill Wyman's Rhythm Kings, performing with them at this year's Glastonbury Festival. He also tours regularly with Eric Clapton.

Recently he has been recording background guitar/vocals for compatriot Tom Jones, toured France with Procul Harum keyboard-man Gary Brooker and tours Japan in September.

On Sunday, November 10th guitar legend Martin Barre brings his 6-piece band to the venue.

Lead guitar with Jethro Tull for 44 years, Martin's distinctive playing has been a major factor in their long and successful career, which has produced album sales exceeding 60 million units worldwide.

Martin's playing on Aqualung earned him many plaudits while his work on the album Crest of a Nave earned him a Grammy in 1988.

Martin has worked with many artists including Paul McCartney, Phil Collins, Gary Moore, Jo Bonamassa and Mark Knopfler, but with Tull currently on sabbatical, Martin's band plays a mix of his favourite blues and rock standards, seasoned with classic tracks from the Tull catalogue - some not performed for many years.

Lastly, on Sunday, December 15th, The Albion Christmas Band, comprising Fairport Convention originals Ashley Hutchings (bass/vocals) and Simon Nicol (guitar/vocals) teamed with the lovely Kellie While (guitar/vocals) and Simon Care (melodeon/vocals/egg-dance) bring their seasonal show of songs, tunes, readings and yuletide merriment.

A Bar and food is available at all the above gigs.

# Exhibitions, music, comedy and more at ArtsFest

THIS year's Lyme Regis ArtsFest, from September 21st to 29th, centres on two group art exhibitions that are open daily from 10am-5pm.

In the Baptist Church Hall, 30 talented local artists will be exhibiting their latest work, and chatting to visitors at Meet the Artist sessions.

At the Malthouse and Town Mill Gal-

eries, the resulting artwork from ArtsFest's year-long collaboration with the Lyme Regis Museum will be displayed. For this ArtsFest-Museum initiative, called re:collection, 37 artists responded in a variety of ways—from beadwork to 3D installations—to the challenge of creating new works of art inspired by objects, images or stories in

Maddy Prior

the Museum. The projects of 13 of these artists were supported using public funding by the National Lottery through Arts Council England. Two of the most ambitious will be on the Lyme seafront (Sarah Thomas's replica Bathing Machine and Deck Chairs installations) and in Uplyme (Gail Saggan's multi-disciplined The Great and the Small exhibition at her Jam Factory studio).

Moreover, the town will host an Art Trail showcasing artwork in over 100 shops and businesses, while at the Jubilee Pavilion and elsewhere around town, daily workshops and special events will be running throughout the 9-day festival. The workshops offer a host of new skills to learn, from monotyping or beadweaving to stonebal-

ancing or decopatching.

A special focus on all things literary provides sessions on how to get published or write life stories and no less than four chances to meet authors, including Paula Byrne, the acclaimed biographer of Jane Austen, and Sarah Singleton whose novel Dark Storm was set in 'Lyme on Sea'.

The B Sharp Busking Festival over the first weekend is a well-established jamboree for those who love and/or play music, and Lyme's Marine Theatre joins in the fun with events that bring singer Maddy Prior and comedian Lucy Porter to Lyme. The proverbial 'something for everyone' has never been truer. Full schedule and details about Lyme Regis ArtsFest can be found on its website: [www.lymeregisartsfest.com](http://www.lymeregisartsfest.com).

# 'The Tommy Cooper Experience' at The Marle Gallery

VISITORS often credit the Marle Gallery with bringing a "little bit of Cork Street to Axminster".

Since opening in 2011, The Marle has certainly been dedicated in its mission to bring "something new and unique to the south west arts' scene."

Its next major exhibition is arguably going to push the boundaries even further with a solo exhibition of artist Tony Beaver, featuring "The Tommy Cooper Experience."

"Alongside the Solo Exhibition of Tony Beaver's work, part of the Gallery will be dedicated to The Tommy Cooper Experience. Art, theatre, installation, all combined – a totally unique and submersive experience. I can't say more than that, except don't miss the opportunity," says Gallery owner and Exhibition Curator, Nick Broomfield.

London-based artist, Tony Beaver, studied at Goldsmith College, London and completed his MA in European Fine Art in Barcelona. His subjects appear diverse; he has dedicated some years of his life to painting potatoes – whimsical on the face of it, but to Beaver, bestowing grandeur and importance to the hum-drum and humble, is central to the work of the portrait artist. His range of works entitled "Museum Studies" celebrates the humble pot from all ages and eras. Often overlooked, through his paintings Tony places them centre stage, reminding us of our link with civilisation from the very first ages of man. The exhibition will also feature Beaver's latest work exploring the nature and qualities of water and the values we bestow upon it.

Tommy Cooper has been another force in the artist's life; he has been painting portraits of Tommy for over a decade, one of his works being shortlisted for the prestigious Garrick Milne Prize for Portraiture in 2005.

"My paintings depict Cooper in a dark empty space" says artist Tony Beaver. "The comic famously died on stage in front of a live theatre and television audience in the middle of a performance. The paintings attempt to capture the moment Tommy Cooper finds himself in a new, profound and deeply serious space. He becomes an explorer, on behalf of us all, in the Afterlife."

The exhibition is on until October 26th.

# Othello screening at the Gateway

THE Gateway in Seaton proudly presents a live streaming of Shakespeare's 'Othello' from the National Theatre, London, on Thursday, September 26th.

Adrian Lester, last seen at the National Theatre as Henry V, takes the title role playing opposite Roy Kinnear as Lago whose recent appearances at the National Theatre include 'Hamlet' and

'Last of the Housemans'.

Lester's role as Othello has all the dignified vulnerability one could wish for, Kinnear's Lago burns with contempt for the human race and for the beauty in other people's lives.

This production is a gripping, lucid, taut and claustrophobic interpretation of Shakespeare's tragedy.

Come and experience

this great production for yourselves at the Gateway, Seaton Town Hall, by satellite from the National Theatre, London.

Doors open at The Gateway at 6pm, with the performance at 7pm. Tickets cost

£12.50 in advance, or £15 on the door, available from the Gateway, Seaton Town Hall box office 01297 625699.

## Lions Brass 4 Youth to perform in Seaton

Lions Brass 4 Youth

LIONS Brass 4 Youth is a fantastic Brass Band for young and improving musicians. It is based in Clevedon, North Somerset and is financially supported by the Lions Clubs of 105 S.W. Presently there are 25 members of the youth band who rehearse weekly and are able to perform a concert with varied content from some classic brass band marches to more popular swing type numbers that can be enjoyed by audiences of any age.

In 2012 the band won the Gloucester Brass Band association entertainment contest and also produced their first CD which will be on sale during and after this concert. They perform all over the south west to help raise funds for Lions Charities.

The organisation has three levels of bands: a starter band where children can start from scratch; a training band which is from

grade 1 upwards; and the Youth Band featured in the concert today which is age 10-19 and grade 4 and above. There is also a bursary scheme for children who would not otherwise be in a position to learn an instrument.

The Musical Director of the youth band is Dave Hollister who has a first class pedigree as a brass musician, teacher and conductor. Further information about the band can be sought by contacting the band manager Debbie Underwood at dauwood@aol.com or call 07815 733 886.

The Seaton and District Lions Club presents a special concert by Lions Brass 4 Youth at Seaton Town Hall on Saturday, October 5th. The concert starts at 7.30pm. Tickets cost £5 per person and are available from Seaton Town Hall box office by calling 01297 625699.

## I do like to be beside the seaside!

DAVID Ivory, a versatile organist and entertainer from Suffolk, was extremely complimentary about the Beer Wurlitzer Theatre Organ when he gave a superb show on Saturday, September 7th. He expressed his pleasure at having the opportunity to play on this historic Theatre Organ which is being painstakingly preserved and refurbished by a team of dedicated volunteers. David's extensive programme started with music from the golden age of films and well-known classical and modern tunes, followed by music with a nautical theme with the audience happily singing along!

The Beer Wurlitzer is now attracting musicians from all over the UK who enjoy playing on this unique organ and an exciting programme for 2014 has already been arranged.

There are just two more shows in the 2013 programme: Nicholas Martin, International Concert, Dance and Recording Organist, on October 12th and Byron Jones, an Internationally Renowned Organist, on November 30th. Shows take place at 2pm at the Congregational Church, Fore Street, Beer, entrance is £6 including

interval refreshments, children under 16 free. Everyone is welcome – the more the merrier!

## Vauxhall retailers celebrate 110th year with £500 cash gifts for customers

VAUXHALL, the UK's oldest surviving car manufacturer, is this year celebrating a mammoth 110 years of building and selling vehicles in the UK and to mark this momentous milestone its retailers are hosting a celebratory 'Vauxhall 110-Year' event.

During the weekend of Friday 13th to Monday 16th September, Vauxhall dealers will be offering customers who purchase a brand new Vauxhall car or van the chance to drive away

with a £500 cash gift\* and benefit from a 20 per cent discount on Genuine Vauxhall Accessories.

"We're delighted to be celebrating our 110th Birthday this year and our retailers are hosting this event to mark this special occasion," said Duncan Aldred, Vauxhall's Chairman and Managing Director. "Customers who purchase a new model can enjoy a £500 cash gift while joining us in commemorating our impressive heritage."

Alongside enjoying a £500 celebratory cash gift and 20 per cent off Genuine Vauxhall Accessories with a new vehicle purchase during the 110-Year Vauxhall Celebration Weekend, customers can also take advantage of a choice of finance options plus free insurance on selected models.

### Flex appeal

With the manufacturer's existing 0% APR Flexible Finance scheme, with zero per cent APR representa-

tive, nil deposit, payment terms between 24 and 60 months and a Vauxhall deposit contribution of up to £2,000, Flexible Finance allows customers to purchase a brand new Vauxhall car of their choice at a monthly payment to suit their personal budget. What's more, all new Vauxhall cars

come with a warranty which could last a lifetime, so customers can be confident that they are getting the best possible aftercare and service, too. Available to the first owner of all new Vauxhall cars, the warranty is valid for the lifetime of the vehicle up to a maximum of 100,000 miles.

Customers can find out more about Vauxhall's 110th Year Weekend online at [www.vauxhall.co.uk](http://www.vauxhall.co.uk).

*\*£500 including VAT cash gift is only available for orders placed during the event period of 13th - 16th September 2013 and registered by 30th September 2013.*

## Fiat 500L MPW on sale in the UK

FOLLOWING the successful launch of the FIAT 500L in March and the 500L Trekking in June, the newest member of the 500L range now goes on sale in the UK: The new FIAT 500L MPW.

The 500L MPW is the perfect expression of FIAT's know-how in making space-efficient cars with a twist - combining the charm and agility of the FIAT 500 with the comfort and contents of a C-segment car and the space and the versatility of a people carrier.

In either five-seat or optional 5+2-seat\* configuration, the FIAT 500L MPW offers two compelling packages: As a five-seat vehicle the FIAT 500L MPW is a credible alternative to a traditional C-segment estate, combining exceptional roominess and comfort with an impressive load capacity of 638 litres and all within a footprint at least 20cm shorter overall.

As a people carrier it is the most compact 5+2-seater\* in its segment, measuring just 4,352mm in length, 1784mm in width and 1,667mm in height, while still offering the same kind of load-carrying versatility of the five-seat version when its rearmost seats are

folded flat and stored neatly under the boot the floor.

The new Fiat 500L MPW will be offered in two trim levels: Pop Star and Lounge. Equipment highlights on the Pop Star version include air conditioning, cruise control, 16-inch alloy wheels, a 5-inch touchscreen infotainment system with Uconnect, six airbags, a full suite of stability and traction control safety systems as well as rear parking sensors.

The Lounge version builds on the Pop Star's high specification level by adding rear electric windows, front fog lights, dual-zone automatic climate control, automatic headlamps, rain sensors, front seats with

seat back tables and storage nets, an electrochromatic rear view mirror, rear privacy glass, floor mats and an electric glass sunroof.

The new FIAT 500L MPW engine range consists of four power plants: The 95hp 1.4-litre petrol (5-seat only); the 105hp 0.9 TwinAir petrol; the 85hp 1.3 MultiJet (also available with the Dualogic automatic transmission) and the 105hp 1.6-litre MultiJet. A total of nine different exterior colour choices are available, plus a variety of contrasting roof and mirror colour combinations, as well as a range of alloy wheels in different sizes, styles and colours.

## Five star Fishermen progress in county cup

BEER ALBION & CLYST VALLEY stole the limelight in the Preliminary round of the Graddon Vending Premier cup with victories on the road.

The Fishermen were 5-2 winners at KINGSKERSWELL & CHELSTON, their best performance of the season and was highlighted with both joint manager Richard Walker and Chris Long scoring twice. James Melville added a single goal for Beer.

The Valley, who have suffered a dismal start, lifted their spirits with an encouraging 3-2 win at TAVISTOCK COMMUNITY. Josh Barlow, Chris Elliot and Mike Vernon shared the Valley goals.

HATHERLIGH TOWN went out 5-4 in a thriller at CHADDLEWOOD MINERS, and MORCHARD BISHOPS withdrawal from the League handed their opponents KINGSTEIGNTON a walkover into the first round proper.

CHARD TOWN celebrated their maiden Premier division victory, and in some style with James Boyland (4), Greg Channing and Craig Every on target in a 6-1 win at HEAVITREE UNITED who are busy trying to reorganise their ranks after a difficult close season.

TIVERTON TOWN beat BUDLEIGH SALTERTON 2-0 but found it a much harder task than they had expected. Max Bristow and an own goal earned the points.

Champions FENITON did not get going until the second half of their first home match against THORVERTON which they won eventually 4-0 with Paul Dowling scoring twice.

Leaders ST MARTINS beat WILLAND ROVERS 3-1 which means they have won all their first four games, and likewise NEWTOWN were too good for SEATON TOWN winning 5-2 at Colyford Road.

The visitors struck in the first minute of each half and led 5-1 before Martyn Hancock convert a free-kick for his second goal of the afternoon.

Seaton manager Keith Somers' woes were added to by injuries to Glenn Gould (knee), Richie Durrant (knee) and Kieran Love (achilles).

ELMORE have maintained their great start in Division One with a 2-1 win at home to WELLINGTON TOWN, but TIPTON ST JOHN have lost all four league outings, their latest defeat being a 4-1 reverse to HEAVITREE RESERVES.

LYMPSTONE pocketed their third straight win in Division Two 4-0 at CLYST VALLEY which means they have yet to concede a goal,

but EXWICK VILLA take over as leaders after they beat visiting PINHOE 2-0.

BAMPTON provided the upset of the day in the Firewatch Devon Senior cup, the fourth division side toppling first division ALPHINGTON 2-1.

CULM UNITED enjoyed their first success with a shock 3-1 win against previously unbeaten SIDBURY UNITED.

BOW AAC were comfortable 5-0 winners at the UNIVERSITY OF PLYMOUTH with Colin Leach scoring twice. Will Hawking, Louis Kinch and an own goal completed the scoring. UPTOTTERY also won 5-0 at home to ABBOTSKERSWELL.

TOPSHAM TOWN saw off PAIGNTON SAINTS 4-0 with Stu Davies scoring twice, Mitch Ward and Josh Boulton adding singles.

WESTEXE ROVERS ran riot 10-0 against AXMINSTER TOWN RESERVES with both John Dryhurst and Jo Empupama scoring hat-tricks. Lee Dixon added two more.

DOLPHIN proved too good for OTTERY ST MARY, and there were outstanding away wins for HONITON TOWN 3-0 at SOUTH MOLTON, CULLOMPTON RANGERS 5-2 at NORTH LIONS, CHERITON FITZPAINE 4-1 at MERTON and the UNIVERSITY OF EXETER with a 4-1 success at BROADHEMSTONE.

HEMYOCK, NEWTON ST CYRES, DAWLISH UNITED, SOUTH ZEAL UNITED, BICKLEIGH, and EXMOUTH AMATEURS are also through to round Two, but there was a startling defeat for CREDITON UNITED RESERVES crushed 14-0 at MORLEY RANGERS.

In the Devon Intermediate Cup UPLOWMAN came from a goal down to beat DAWLISH UNITED 2-1 with Rob Hanna and Darryl Berner strikes.

Callum Gribble scored twice for BEER ALBION in their derby tie against HONITON TOWN which they won 4-1.

Adam Wheatley also scored twice for EAST BUDLEIGH 4-2 winners at EXWICK VILLAGE, as did Steve Alford for SAMPFORD PEVERELL in their 4-1 win at UPLYPE. The Swallows' consolation came from Jon Davies.

FENITON saw off NEWTOWN 4-1 with John French, Troy Barnschone, Jamie Easterbrook and Jamie Brimblecombe goals.

#### Perry Street League

TWO early goals put West & Middle Chinnock on the way to their first points on their return to the Premier division writes Howard Larcombe.

A foul on Dan Harvey by MILLWEY RISE full-back Haydn Lewis allowed Damian Hart to slot home a third minute penalty.

This was followed by a Mark Cawley strike in the 11th minute.

With Ben Turner headed off to play for Axminster Town, Rise pressed pick-of-the-league centre-back Elliott Dyer, fresh from his Perry Street League select XI debut, into a midfield role and it was Dyer who raised hopes of a home fight back when he netted 10 minutes from time.

But these were extinguished when Luke Williams lobbed home deep into injury time.

A late goal from Ashley Smith saw South Petherton clinch a hard-fought 3-2 win after hosts Farway had battled back from 2-0 down.

Scott Burrough and Anthony Trudgeon netted for Farway.

Down in Division Three a hat-trick from Brad-Lee Miller clinched a 4-2 win for MILLWEY RISE RESERVES over visiting Barrington Reserves. Player-manager Simon Flint bagged the other Rise goal.

In the same division Andy Dymond (2), Stuart Weir (2) and Josh Short were on target as HAWKCHURCH UNITED continued their promising start to the new campaign with a comfortable 5-2 over Chard Rangers at Jocelyn Park.

Finally, FARWAY UNITED RESERVES' scheduled visit by Combe B was cancelled as the Saints were unable to raise a side.

## fishing news

The 'Big Fish' was held in Lyme Regis at 12noon on Friday, August 16th and ran through to 9pm on Saturday, August 17th.

For a £10 entry fee (£4 for juniors) competitors in the event staged by Lyme Regis Sea Angling Club were able to fish whenever they wished within that 33-hour period.

Baillie Gifford, kindly donated the majority of the prize money all entry fees went to the Help for Heroes charity.

In addition, several collections were made during the week in and around Lyme Regis area for Help for Heroes.

The weather was better than forecast at the start on Friday, but although Mullet, Ballan Wrasse, Bull Huss, Dogfish were caught other species such as Bass, Garfish and Mackerel were proving elusive.

There was particular difficulty in getting Pouting and Mackerel in size to register a claim.

Unfortunately Saturday's weather was very poor with high winds and heavy rain that kept many anglers at home.

Those hardy fishermen that braved the elements enjoyed some success fishing at the far end of Monmouth beach.

up at 8pm when he suddenly remembered where he might get a fish.

With ten minutes to go in the match he caught the only Bass caught in the competition and won £100, proving that it's always worth fishing up to the end of time in a match.

Presentations were made at the Cobb Arms and the winners were as follows:

£100 **Best Ballan Wrasse** 1,944gms (4.28lbs) (107.17% specimen) Nigel Hill

£100 **Best Bass** 1,178gms (2.59lbs) (27.34% specimen) Toby Guest

£100 **Best Bull Huss** 1,016gms (2.24lbs) (28.00% specimen) Simon Skinner

£100 **Best Garfish** None weighed in

£100 **Best L.S. Dogfish** 1,030gms (2.27lbs) (90.83% specimen) Terry Hartnell

£100 **Best Mackerel** None weighed in

£100 **Best Mullet (Golden)** 940gms (2.07lbs) (138.24% specimen) Darren Herbert

£100 **Best Pouting** 322gms (0.51lbs) (34.12% specimen)

**Ban Brownley £200 First Prize Mullet (Golden Grey)** 940gms (2.07lbs) (138.24% specimen) Darren Herbert

£100 **Second Prize** Ballan Wrasse 1,944gms (4.28lbs) (107.17% specimen) Nigel Hill

£50 **Third Prize** Mullet

## ■ BEAUTY:

Darren Herbert with his Golden Grey Mullet

One pleasing thing to note was that nine juniors took part and they enjoyed some success in breaking one LRSAC club record and having many fish that were just under size.

In fact one young lady lost the only Garfish to be caught when it fell off the hook just as she was pulling it in on to the Cobb's North Wall.

As usual with this event those anglers who targeted specific fish and specific times to fish, seemed to enjoy most success.

One competitor who didn't finish work until 6pm on the final day was about to give

(Golden Grey) 712gms (1.57lbs) (104.71% specimen).

Darren Herbert kindly donated all of his £350 winnings to Help for Heroes.

The Tackle Box Shop kindly donated a boat rod for a raffle for all those who took part and the lucky winner was Andy Hughes.

The organisers are pleased to announce that the final total of £1,970 has been collected for Help for Heroes.

The organising committee would like to thank all those people who generously gave up their time to make this such a successful event.

# Title cliffhanger

AXE Cliff A snatched the Division One title in dramatic style, winning their last two matches 5-0 and 4-1 to finish level on points with Golden Hind B, taking top spot due to winning more matches throughout the season.

At the bottom, Gerrard Arms B survived by a point despite their final week whitewash, thus relegating Beer Club and Royal Clarence A.

The Division Two champions are New Inn Flyers whose final week win was enough to pip Axe Cliff B who are also promoted.

Although there is still a result to come, the two relegation spots are already decided, with Kingfisher A and Royal Clarence B dropping to Division Three.

The Division Three title is still not decided despite all matches being completed.

The two promoted teams, White Hart A and Kings Jesters, both finished with identical records and will play-off for the title at The Golden Hind, Musbury tonight (Tuesday).

At the bottom, Lamb Visitors final week win was enough to avoid the wooden spoon, Eyre Court receiving that dubious honour, although they had a difficult end to the season with illness forcing them to forfeit a number of games.

## running round-up

# Local triathletes compete in World Champs

### AXE VALLEY RUNNERS

with Dave Mutter

AXE Valley Runners were out in force on Sunday braving the wind and the rain.

Luke Reed left Kilminster at 4.30am to travel to **Harlyn Bay, Padstow** for a 7.20am start in the standard distance Triathlon organised by VOTWO.

The sea was flat for the 1500 swim and Luke emerged from the water in 7th position out of the 78 starters.

From the sea there was a long 400m run to the Transition area, where Luke gained some ground on the opposition.

Then onto the bike which was an 'out and back' course, with the first eight miles into a head wind, so pretty tough!

Luke came into transition in 5th place, having completed the 40km bike in 1.15.30.

Next was a 10km run along the cliff line of Harlyn bay, which had its ups and downs! But Luke toughed it out to hold onto 5th place and an overall time 2.31.17

AVR's **High Ways and Sky Ways** offered a choice of 18, 13 or eight mile self-navigating routes through some lovely scenery east from Charmouth in aid of the primary school.

Many runners got back before the rain arrived but all suffered the strong winds conspiring against them.

■ **GREAT EFFORT:** N1 Tri Club members Jane Beech and Liz Elliott who competed in the recent Triathlon World Championships in London.

The 18-mile winner was Royal Navy AC's Iain Robert in 3:05 and first AVR was John Larcombe. Eleanor Wood, Matt Clist, Phil Bayliss and Geoff Woodward ran together with Eleanor and Matt pushing ahead to finish in 3:55, Phil a minute later and Geoff another minute later. Tim and James Sibley ran together in 4:15.

The 13-miler was won by AVRs Clare Hansford and Margaret Pearce in 2:36 with Anna McLoughlin finishing in 2:38, Alan Morbey in 2:39 and Mark Nevell in 2:44. Janette Mack, Janet Woodward and Liz & Dave Thomas ran the eight-miler in 2:28.

Two AVRs competed in the **Bristol half-marathon**. Carol Austin was first AVR back in 1:36:37, the second in the over 50 women's category and just a few seconds short of her PB despite windy conditions. She was followed soon after by Emma Kiernan in achieving a PB of 1:37:01.

### HONITON RC with Judy Davey

SEVERAL Honiton Running Club members took part in the **Bridgwater Half Marathon** on Sunday, September 8th.

For some it was part of preparing for running the Jersey Marathon in October.

Esme Wilson was first Honiton runner back in 74th place in 1:41:56 having had a great run.

Steve Briggs followed Esme for some time and was next back achieving a great personal best time of 1:42:46 in 79th place. Mark Dallyn was going well until struck by injury which made him limp back in 99th place in 1:48:02.

John Burgess was a little disappointed in his time as he had returned to tackle the run after being tripped up last year. He finished 125th in 1:52:35.

Jennie Sleeman came in well under two hours finishing 144th in 1:55:02.

Kathy Layzell was delighted that she had finished in under her target of 2:10 (2:09:17) in 181st place. She could see the time slipping away so sped up for the last 3 miles and managed to hold the pace.

Wendy Williams is one who will be tackling her first marathon in Jersey and she had a fantastic run to knock about 15 minutes of her previous half-marathon pb. She came 195th in 1:52:35.

The race was won by Tim Vials in a time of 1:21:41 and there were 232 finishers.

### N1 TriClub with Dennis Elliott

AXMOUTH-based Tom Bland was one of four

N1 Tri Club members who competed in the recent **'Ironman Wales'** Triathlon in Tenby.

The Wales course is well known as one of the toughest on the world circuit with its hilly bike course and demanding run - many racers review it as 'brutal'!

To add to the challenge the weather on the day was chilly and frequent heavy showers made the road surface slippery resulting in many accidents.

Bland navigated his way around the course in great style covering the 2.4 miles swim 112-mile bike and 26.2 run course in an impressive 11 hours 12 minutes 51 seconds spurred on by huge crowds in the delightful seaside resort of Tenby.

There were other impressive performances by local athletes in the event.

In her first Iron man race Buckrell-based Lisa Maggs was 3rd in her age category (F45-49) in a time of 13 hours 43 minutes 20 seconds a superb performance.

Guy Paddon (M40-4) also in his first long course race, recorded 14 hours 25 minutes 10 seconds and local businessman Richard Easton (M 30-34) recorded a fantastic 10 hours 51 minutes 24 seconds.

### Local duo in World Championship action

TRIATHLON is now officially the fastest growing sport in the world with Great Britain leading the way.

The season reached its climax in London this weekend with the **World Championships** taking place on the Olympic course in Hyde Park.

While the TV cameras focussed on the professional racers, Brownlees/Stanford et al. the weekend was also the scene for the 'age group' championships.

Competitors from 85 countries, all who had qualified via national competition were there to compete.

One of the many attractions of triathlon is the 'age- group' system, as it allows individuals to measure themselves accurately against their peers.

As the parade of nations formed up in Trafalgar Square last Thursday night two women of our local N1 Tri club were there proudly representing GB.

Jane Beech who lives in Sidmouth, is a stalwart of the club who leads and organises its running programme.

Jane was competing in the womens 40-45 'sprint race' - which comprises 750 metres

■ **WELSH TEST:**  
Tom Bland

swimming, 20 km bike and 5 km run.

The eventual winner of the race was a former Olympic champion but Jane, as usual, gave of her best and was in the middle of the pack at the finish.

Club Secretary Liz Elliott is an inspiration to all women of her age. Racing in the 60-64 'sprint' category, she qualified in the National Championships at Nottingham Liz was also in the middle of the pack of her race.

To give some idea of the high standard of the race Liz's bike speed for the race was around 20 miles an hour!

Overall this was a fabulous experience for the duo and a very proud day for the N1 Tri club who had many supporters on hand to encourage their team mates.

If you are interested in getting involved in this fantastic sport the N1 Tri club will shortly be starting its winter programme.

If you are interested in racing triathlons, you are reasonably fit then we have a few spaces remaining in one of our swim groups so visit our website [www.n1triathlon.co.uk](http://www.n1triathlon.co.uk).

# Honiton Juniors lift Basil Steer cup

### HONITON with Andy Wagner

#### Gerry Hartley Trophy

THE morning's play for the Gerry Hartley Trophy could not have been closer with no less than four players tied on 38pts with a fifth just one point behind.

But, to include as many members as possible into the quest for club trophies these games are designated all day competitions and so it was that A team stalwart Paul Coates was able to forge through with an afternoon round of 41pts off his single figure handicap.

The final placings were; Division Two - Brian Morrison 38pts ahead of Fred Thomas and Dave Morgan on countback. Division One - Paul Coates 41pts, ahead of Terry Dimond 38pts and Ian Atyeo 37pts leaving Paul Coates the overall winner on the day.

### Tuesday Mixed

THIS week a **Greensome Stableford** was enjoyed by 28 players. Conditions were not easy for most, and at times the wind was quite strong - however the winners found conditions easy as Rosemary Whiteley, playing with John Dickinson had 41pts.

In 2nd place were Ann Trayling and Mike Watts with 38pts, 3rd place went to Penny Blackburn and Club Captain Dave Morgan (37pts) and in 4th place with 36pts were Jackie Seager and Max Pipe.

Turner, Mick Tones, Rob Grove, Nick Povey, Malcolm Reynolds, John Mant, Iain Bain, Bill Polley, Jack Bannister, Stuart Mackie and John Ashbolt.

Once again two club members have performed well in an Open Mixed Greensome, this time at Windwhistle.

◆ **THE team of Sandra Walker (Lady Captain), Kay Foster (Woodbury Park), Glenda Board (Axe Cliff), Annie Dent (East Devon) who were the winners in the Ladies Open played last Friday in glorious sunshine at Axe Cliff Golf Club.**

Thirty five teams of three entered from all over the country for a format that was a Stableford (full handicaps) with the best two scores to count.

The winning team had 87 points beating second placed Carol Ward, Dee Thompson and Sonia Ryland from Dainton Park on the back nine.

## Tigers Ressies hit for 10!

A THIRD successive defeat has seen Axminster Town slump to 13th in the South-West Peninsula League Division One (east).

The latest reverse for the Tigers, boosted by the return of combative midfielder Ben Turner from Millwey Rise, came in at the hands of the former Exeter Civil Service team, now operating under the guise of Exwick Villa, who are currently riding high at the top of the table.

Ax head off to the Chronicles to face 11th placed Alphonon on Saturday.

It was a lot worse for Axminster Town Reserves who had a real day to forget as they were annihilated 10-0 in the Devon Senior cup-tie at D&E division two outfit Westex Rovers.

Up in the premier Seaton Town went down 5-2 at home against Newtown who maintained their impressive 100 percent start to the new season.

Seaton manager Keith Somers was disappointed to once again see his side conceded early goals. Martyn Hancock scored both Seaton goals.

Next up for the Greens is Saturday's visit by Willand Rovers Reserves.

By Howard Larcombe  
howard@pemedi.co.uk

After a weekend off Seaton Town Reserves are on the road to Langdon at the weekend.

The Fishermen return to D&E Premier division action on Saturday with the visit of Newtown.

Beer Reserves made it a win double for the club with a fine 4-1 victory over Honiton Reserves.

Elsewhere, a 5-3 win at Chudleigh Athletic saw Colyton book their place in round two of the Devon Senior cup. In division four Axmouth United continued their perfect start with a 2-0 win at Hatherleigh Reserves.

Two tap-ins at each end of the second-half from Asa Sandman clinched the victory.

The Hammers are in line for 'more of

the same' at the weekend when clearly struggling Winkleigh visit Bosshill Cross.

Over in the Perry Street & District League an Elliot Dyer strike couldn't save Millwey Rise from a 3-1 defeat against visitors West & Middle Chincock.

Rise, now missing talented striker Sam Dibling who has headed off to try his luck with Tiverton, entertain Misterton on Saturday.

New Manager Matt Hall remains optimistic for the season despite the loss of two of his key personnel in Dibling and Turner.

The second of double-header at Harry's Field saw Brad-Lee Miller score a hat-trick as Rise Reserves beat Barrington Reserves 4-2. Player-manager Simon Flint scored the other goal for Rise who welcome Drimpton on Saturday.

Elsewhere, Hawkchurch United have made a decent start. Andy Dymond and Stuart Weir both scored twice for the Hawks in a 5-2 win at Chard Rangers.

Martin Bright's team entertain Ilminster Town A at the weekend.
